

Matt Single Sided 100 gsm

GD806 ; A4 150 sheets/box
GD807 ; A3 125 sheets/box
GD808 ; A3+ 100 sheets/box

Product description:

Matt presentation paper that provides superior color saturation, print resolution, and high quality output on one side of the sheet. Printouts are immediately dry and smudge resistant. The paper is designed as a “universal” product for use in all inkjet printers and is compatible with all common dye and pigment inks.

Features:

Print color presentations, announcements, and reports.

- Bright-white matt paper for brilliant, sharp color images.
- Images have improved sharpness and color vibrancy because of high black optical density.
- Immediately dry and smear resistant.
- Water resistant paper so images stand up to incidental moisture.
- Matt coated surface on one side for improved image presentation

Properties:

Construction : An inkjet receptive coating on one side of a 100gsm base paper.

Property	Value	Unit	Standard
